Dear New Member,

The Committee would like to welcome you to Alderton Gardening Club and thank you for
deciding to join us. Our annual membership fee is currently £10.00 per person.

You will find at our Club nights a good mix of ages and levels of gardening experience. All our
members have a keen willingness to learn more about gardening, fruit growing and managing an
allotment and it is the aim of the club to further our member's knowledge as well as providing a
forum to meet like-minded people and get to know other villagers in Alderton and the surrounding
villages.

As a member, you will pay £3.00 at each monthly meeting, which can't be bad when it includes a
cup of tea/coffee and a biscuit whilst you chat with others before the event commences.

If you are a new member, please let us know when you arrive and we will ensure you are
introduced to our welcoming team to help you start to feel part of our lovely club.

Like all members you are encouraged to contact me or any other Committee member, with
feedback or thoughts on any improvements you think we can make as a club for our members or
indeed suggestions for guest speakers or gardening subjects to discuss. Below are a list of
Membership Benefits:

1. Discounted entrance fee for attending our monthly club meetings at which we always have a
guest speaker and raffle with prizes.
2. Free plant and seed exchange.
3. Subsidised entry and travel to famous gardens etc.
4. Discounts on compost, seed potatoes, bulbs etc. which the club are able to negotiate with local
suppliers.
5. Monthly tips on gardening jobs, which should be done at that time.

In addition every April we celebrate the club's birth with wine and cake and every December we
have a pre-Christmas gathering with food and wine.

Finally we hope you enjoy and gain benefit from your membership.

Kind regards,
David Ruscoe – Members Secretary
