

PARISH COUNCIL NEWS www.aldertonparishcouncil.org.uk

At this year's Parish Council AGM, Keith Page stood down as Chair. However, he will continue as a Councillor. Keith has been chair for 23 years and a councillor for 39 years. Parish Councillors expressed their immense appreciation for all Keith has done as chair and the countless voluntary hours he has put into the role. Dennis Rayton also stood down as vice chair, but he too will remain as a councillor. There were no offers from other Councillors to take up the position, but remaining Councillors agreed to undertake the role on a rotating basis until a more permanent solution could be found. The Parish Council is also still looking to fill a vacancy as a Councillor.

Land East of Willow Bank Drive

Rainier have turned down the request from the Parish Council for a public meeting. The application to build approximately 60 houses is expected soon. We will ensure that villagers know when this happens and how to make their views known to the Planning Authority.

Cala Development There were no significant developments reported.

Road works

Just update on the Gas Main replacement traffic Management. We understand that by the time you read this the three-way lights will have moved to the Willow Bank Rd /B4077 junction. They will be there for approximately a week while the new main is connected to the Alderton Village system. This should shorten the wait time on B4077 (shorter amount closed off) and it is hoped that all works on B40077 should be completed within 2 weeks. Then the active areas will be moved to Alderton/Gretton Fields when just two-way lights will be used

The best info we can find out is that works on A46 will continue until June 16th

Just bit of advanced warning the southern end of Willow Bank Rd (by Corner Cottage) will be closed on July 5th & 6th for work to replace a pressure valve by Severn Trent Water

NEXT PARISH COUNCIL MEETING

Please note change of Date. This will be at the Village Hall on **Tuesday 14th June** at 7 pm. Please note the new start time.

ALDERTON GARDENING CLUB

Our guest expert speaker was container gardening expert Harriet Rycroft from Moreton in Marsh. She delivered a two part talk with a very well illustrated digital slide projection as the first part. This gave us an insight into her own garden and at her former place of employment Whichford Pottery, where she was head gardener. The presentation was full of ideas about plant and pot combinations, in both sunny and shady aspects. She talked at length about what composts to use, what plants to use and watering techniques. The displays that she produces are quite simply stunning. As well as doing this for a living it is obvious that Harriet is a real plant enthusiast as well!

In part two Harriet gave a practical demonstration of how to plant up a pot with succulents. The audience were transfixed by this and asked questions as she gradually built the display up. Harriet talked about the book which she combined to produce with the then head gardener at The Cotswold Wildlife Park, where she also worked. She also has another book of her own coming out in the Autumn about container and pot gardening.

After drawing the seven prize raffle, a vote of thanks was proposed by Tom the chairman who also filled the audience in with the latest club news and a list of monthly gardening jobs to tackle in May.

Committee member Sarah Hughes ran the plants stall this evening, thank you to everyone who brought plants and seeds along for this. She also sold 32 advance tickets for our July meeting for an evening with allotment gardener, star of the Jeremy Vine radio show Terry Walton!

Our next meeting is on **Thursday June 9th** when Dave Crop will be doing a practical demonstration of producing new plants from old. Doors open at 7pm for a 7.30pm start in Alderton Village Hall, we look forward to seeing you there!

Big news from Alderton Gardening Club, who are thrilled to announce the booking for their **September 14th 2023** meeting of the celebrated Garden designer, plantsman, author, speaker and broadcaster Chris Beardshaw. This will be an all-ticket event with members of the club being given priority access to these before they go on general sale.

SUSTAINABLE ALDERTON: Put your stuff on the pavement day is back!

Following the success of the last 'Put your stuff on the pavement day', we're running a summer one. This will happen on **Saturday 2 July** 10am-3pm. The backup day in case of rain is **Saturday 9 July** 10am-3pm.

This could be just the nudge you need to raid those sheds, attics and cupboards and set those things which no longer serve you free!

How does it work? On 'Put your stuff on the pavement day', please put any items that you are happy to give away outside your house before 10am. Leave them out there until 3pm and hopefully some of your neighbours may give them a new home. In the meantime, you can take a wander around Alderton and see what's up for grabs. You'll need to take any of your items that are left at 3pm back into your house.

The ethos of the day is to give things away for free. However, if you enjoy the day and would like to give a donation to Alderton Acorns Preschool afterwards, they would be delighted. Please put donations in an envelope marked Sian Tryner, Preschool Treasurer, and pop them through Sian's door at Fernlea, 28 Beckford Road (opposite the pub).

We hope to see lots of you taking part again. Please get in touch if you have any questions - moira.halstead@gmail.com or 07759 283319.

ALDERTON GOLF

9 played in this year's spring event at Minchinhampton Old Course. A challenging course in the wind with added free-range cattle to make it more interesting. Pete Woolfrey was declared winner during the

subsequent meal at the Gardeners. He generously donated his winning bottle of wine to the village jubilee event tombola. Thanks to Simon Finch for organising a fun day.

The next event will be a summer evening 9 holes at Sherdons. John Hilton is the organiser. Information coming soon. We welcome new members to the group which is open to Alderton residents who play regularly of any standard and gender.

Email or phone Nigel Roe (nmroe@hotmail.co.uk 07762735165) who will get you on the whatsapp group which is the preferred method of communication.

THE BECKFORD COLLECTIVE
